Wilsonart - the UK's largest manufacturer of decorative surfacing products.

Choosing the most suitable material for your project can sometimes be a challenge with many different standards, colours, designs and sizes. Wilsonart can provide the perfect solution, with two defined ranges of innovative decors, Gemstone and Solid Surface, and a service that will assist you from the initial design through to the final installation.

Solid Surface Features & Benefits

- 100% acrylic solid surface
- Achieve seamless joints to create a continuous, smooth finish
- Renewable & repairable ensuring longevity in performance
- Shapes and curves can be created for an overall moulded look
- Non-porous eliminating the risk of stains
- Sheet sizes: 3660 x 760 x 4mm & 3660 x 760 x 12mm
